

2019 KCC JUNIOR GOLF PROGRAM

The PGA Golf Staff is excited to improve upon the junior program this year by teaching our juniors every area of the game from Putting & Chipping to learning proper golf course etiquette!

We teach the game from the green out, meaning the first session will be putting and the last session being driver and fairway woods. Older groups will be using their own golf clubs, while younger groups will be using SNAG golf clubs and equipment.

Instruction / Playing Days

June 19th: Putting
