

KCC Ladies Flag Tournament

Date: September 1st, 2020

Time: 9:00am Shotgun

Entry Fee: \$5 per player

Event: Each golfer is given a small flag at the beginning of the round. This flag will have a number on it signifying the total stroke allotment that participant gets. This number is derived from the player's handicap plus the 18-hole par of 74 for woman golfers.

The golfer stakes their flag in the ground once they have exhausted their stroke allotment (in the case above it would be the 94th stroke).

Using the example above: Your allotment is 94 strokes. You play the golf course until you hit your 94th shot, which, let's say, comes on the 17th fairway. That's where you plant your flag. The player who stakes their flag the farthest around the course is the winner!
